NO. 20-35357

DECLARATION OF FRANKLIN
SMITH IN SUPPORT OF
PLAINTIFFS’ STATEMENT IN
SUPPORT OF MOTION OF
APPELLANTS WAPATO
HERITAGE, LLC AND GARY
REYES FOR STAY PENDING
INTERLOCUTORY APPEAL

FRANKLIN SMITH, pursuant to 28 U.S.C. § 1746, states and declares:

1. I make this declaration based upon personal knowledge, and if called upon to do so, could and would testify competently as a witness to the matters stated herein.

2. I am one of the members of the Mill Bay Members Association, a

1 Plaintiff in the above-entitled action.

2 3. Our Association has approximately 180 members, who are
3
4 predominantly elderly individuals and families.

5 4. While we are mostly a recreational camping resort club, some of our
6
7 members use the RV Park on MA-8 as their residence – particularly on the
8 expanded membership side and our caretakers. Should they be ejected from this
9 land, these members may have very few options of where else to go during the
10 summer months. Others will lose the right to use and enjoy properties that have
11 been in their families for years.

12
13 5. The Mill Bay resort has been an ongoing part of the community for
14
15 more than 35 years. In reliance on the promises of the developers and the Bureau
16 of Indian Affairs (“BIA”), members have invested literally hundreds of thousands
17 of dollars into improving their family properties in virtually every infrastructure
18 imaginable—water, electricity, fiber optics, and construction, as just a few
19 examples. Should we be ejected, our members will lose every one of these
20 investments. Several generations of members have now enjoyed the park for
21 many years, as promised. Upon ejection, our members will lose their homes,
22 their memories, their family legacies.

23
24 6. For many years, the BIA has aided the Colville Tribe in their efforts

1 to oust our memberships to move their casino down to the water. We have been
2 in costly litigation for many of the past 18 years. This has been a very difficult
3 financial and emotional burden on members who simply trusted the word of the
4 United States government and the developers that our memberships were to last
5 until 2034.
